

### **REMARKS**

Claims 27, 29-31, 34, 36-39, 52, and 54-56 are now pending in the application. Applicants thank the Examiner for the indication of allowance of all of the pending claims.

Applicants note that the Office Action mailed May 3, 2007 was sent to the wrong correspondence address. Applicants request that the correspondence address be changed as noted in the Statement Under 37 C.F.R. 3.73(b) and Power of Attorney filed on June 1, 2005. Applicants' representative noted this error to the Examiner in a telephonic interview on May 21, 2007. The Examiner indicated that the issue should be resolved with no further action from Applicants. Also, generally the substance of the Office Action was discussed and that Applicants would prepare and file the present amendment and a new Re-Issue Declaration.

### **RE-ISSUE APPLICATION DECLARATION**

Filed herewith is a new Re-Issue Application Declaration by the Inventors Michael A. Martinelli and Wayne C. Haase. As requested by the Examiner, the new Declaration includes both of the inventors, the error and the stated broadening nature, and the residence and mailing address of both of the inventors. Applicants respectfully submit that the presently filed Declaration is appropriate.

### **SPECIFICATION**

This Amendment deletes the Amendment to the Specification made in the Amendment filed February 28, 2002. Therefore, only a single cross reference in priority statement is included in the present Application.

### **CONCLUSION**

It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
